

The Gebusi

One of the most popular anthropological case studies published in the last two decades

The latest edition of *The Gebusi* incorporates important new fieldwork and includes *Update* sections at the end of individual chapters, bringing a riveting story fully up to date. Readers are welcomed into the lives of Papua New Guinea rainforest dwellers to witness a dramatic arc of cultural change and human transformation.

When Knauft first studied them, Gebusi practiced powerful spirit séances and sorcery divinations, held resplendent initiations that included distinctive sexual customs, and endured high rates of violence. Sixteen years later, he found them participating in market activity, schooling, government programs, and sports; performing their own popular music; and practicing Christianity. More recently, Gebusi have been battered by economic hardship and withdrawal of government services—but have admirably revitalized their culture and livelihood. Sustained by traditions, access to land and waterways, and a keen sense of humor and vitality, Gebusi exhibit resilience and dignity amid conditions of continuing uncertainty and change.

Introduction: In Search of Surprise
Broader Connections: *Cultural Anthropology*

PART ONE: 1980–1982

Friends in the Forest

PART THREE: Three Decades of Cultural Change

Closer, Closer, Further Away: Revival and Independence
Broader Connections: *Cultural Survival, Development, and Applied Anthropology*

The Larger Future
Broader Connections: *Globalization, Political Economy, and the Future of Culture*

An absorbing, well-written, and humanistic account based on profound scholarship, *The Gebusi, 4/E* includes end-of-chapter **Broader Connections** that link Gebusi experiences to major anthropological topics—subsistence, kinship and marriage, politics, religion, gender and sexuality, ethnicity, nationalism, modernity, and the ethics of engaged and applied anthropology.

Sixty photos, including twenty in a stunning **full-color insert**, accentuate Knauft's absorbing narrative. Callouts to **new instructional videos** recorded with Gebusi and to an extensive **online image bank** on the author's website enrich the ethnography.

237 pages, value priced to students at \$29.95
