Based on 2016–2017 fieldwork, this latest edition of *The Gebusi* blends many new developments with those of the past. Poignant descriptions and reflections by young French cofieldworker Anne-Sylvie Malbrancke complement Knauff's main account—and provide a rich dialogue across subject position and gender in ethnographic writing. In the mix, this vibrant work powerfully documents and critically analyzes key new developments among Gebusi. As such, *The Gebusi*, Fifth Edition brings the book's compelling story forward while enriching the content structure and engaged portrayals of earlier editions.

In addition to online field video resources, four instructor presentations, and other study materials and resources, the book itself includes 90 photographs that dramatically convey incidents and people portrayed.

237 pages, price to students: \$34.95
