

What do I get with BreatheEasy Georgia Smoke-free Recognition?

1

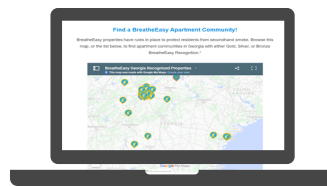

BreatheEasy certificate

Hang your certificate in the main office or reception area to advertise your BreatheEasy Recognition to existing and prospective residents.

Free website listing

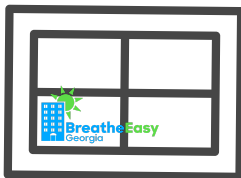

Prospective residents looking for smoke-free apartments can find your property on our free online listing.

2

3

Window clings

You will receive free window clings to advertise and remind residents about your BreatheEasy smoke-free policy.

Online promotional content

We'll provide you with content and BreatheEasy logo files to promote your policy and recognition status on your website, social media, and other channels.

4

5

Promotional and educational materials

BreatheEasy GA Homes provides handouts, infographics, etc. that you can use to educate your current and prospective residents about your smoke free policy.

Ongoing support and technical assistance

- Additional promotional and educational materials customized to your needs.
- Subscription to our new e-newsletter series where we provide our BreatheEasy Recognized properties with updates, new materials, etc.
- Phone and email support.

6

And yes, this is all FREE! Apply for BreatheEasy Smoke-free Recognition today at BreatheEasyGAhomes.org!

BreatheEasy Georgia Homes is a program of the Emory Prevention Research Center, the Georgia Department of Public Health, and the Atlanta Apartment Association. Together with our stakeholder partners, we work to protect health and reduce secondhand smoke exposure by supporting smoke-free living for all Georgia apartment residents and staff.
