

COALESCE

Collaborative Research, Implementation, and
Leadership Training to Address
Chronic Conditions Across the Life Course

Use this document to plan your application submission. Applications should be submitted via the application link on the site by **January 6, 2023 5:00 pm UTC/GMT-5**.

Important: Use correct grammar, spelling, and punctuation. All applications will be run through a plagiarism checker. Any application found to have plagiarized content will be automatically disqualified. Applications must be submitted in English.

1. Application Form

2. Curriculum Vitae or Biosketch (NIH format) (1 page maximum)

Your CV or biosketch must be well organized, concise, and nicely formatted. Pay close attention to spelling, grammar, and punctuation. It should address:

- your education and training (include year/date, institutions, degrees conferred);
- your work experience (job title, institution, dates, description of activities);
- honors and awards; and
- any publications, presentations, or participation in workshops or conferences.

You are **strongly encouraged** to emphasize your research experience and achievements.

3. Short Essay (1 page maximum)

Your short essay should clearly describe how participation in this program will help you in achieving your career goals; a research idea to be pursued as a part of this program; and demonstrate your preparedness for this program

4. Short Self-Introduction Video (maximum of 2 minutes)

Your short video should provide a professional overview and the reasons you are interested in this program

5. Institutional Acknowledgement Form (Note: This is not a letter of recommendation).

Please provide the form letter to your supervisor for her/him to read, sign, and send the completed form directly to coalesce-info@emory.edu

Additional Information:

All documents must follow the following naming convention for files: Applicant's Surname.First Initial_Document Type (e.g., CV, Essay, etc.). Applicant's names must be consistent throughout the application.

Questions or concerns may be directed to: coalesce-info@emory.edu
