CLOSING DATE: 12/17/21 11:59 PM

DESCRIPTION:

Pay Grade: K

Connect passion with purpose. The Fulton County Board of Health provides a variety of services that help protect residents from health threats, increase access to health services to improve health outcomes, and provide information that assists Fulton County citizens in living healthier lives.

The agency is seeking **four** highly qualified candidates for the position of **Epidemiologist 2** within the **Fulton County Board of Health** in the **Epidemiology Services**.

JOB RESPONSIBILITIES:

Under general supervision, plans, develops, and conducts epidemiologic investigations, surveillance, and interventions limited in scope and/or complexity to determine the causes of diseases and implement methods of disease control. Collects, analyzes, and interprets statistical data and prepares epidemiologic reports.

MINIMUM QUALIFICATIONS:

Master's degree in Public Health or a closely related field from an accredited college or university AND Two years of experience performing epidemiologic work or work in a closely related field OR Bachelor's degree in any field from an accredited college or university AND Three years of experience performing epidemiologic work or work in a closely related field OR Two years at the lower level (HCP180) or position equivalent.

Conducts investigations of cases and outbreaks, including providing information on the control and prevention of communicable and chronic diseases.

Collects, analyzes, and interprets statistical data and prepares required and requested epidemiological reports.

Provides consultation, training, and technical assistance to employees, community organizations and other health care professionals, on disease risks, control, and prevention.

Performs various support duties, including serving as on-call epidemiologist, completing assigned projects, and developing and/or recommending programs and procedures for special projects

ADDITIONAL INFORMATION:**Performance Aptitudes:**

Data Utilization: Requires the ability to synthesize, hypothesize, and/or theorize concerning data involving modification of existing policies, strategies, and/or methods to meet unique or unusual conditions. Requires the ability to do so within the context of existing organizational theories and management principles.

Human Interaction: Requires the ability to function in a managerial capacity for a division or organizational unit; includes the ability to make decisions on procedural and technical levels.

Equipment, Machinery, Tools, and Materials Utilization: Requires the ability to operate and control the actions of equipment and machinery, requiring the monitoring, adjustment, regulation, and/or setting of multiple conditions.

Verbal Aptitude: Requires the ability to utilize a wide variety of reference, descriptive, advisory, and/or design data and information.

Mathematical Aptitude: Requires the ability to perform moderately complex algebraic and geometric operations; ability to utilize principles of basic probability and statistical inference.

Functional Reasoning: Requires the ability to apply principles of logical or synthesis functions; deal with concrete and abstract variables; and analyze major problems that require complex planning for interrelated activities that can span one or several work units.

Situational Reasoning: Requires the ability to exercise judgment, decisiveness, and creativity in critical and/or unexpected situations involving moderate risk to the organization.

Due to the volume of applications received, we are unable to provide information on application status by phone or email. All qualified applicants will be considered but may not necessarily receive an interview. Selected applicants will be contacted by the hiring agency for the next steps in the selection process. Applicants who are not selected will not receive a notification. This position is subject to close at any time once a satisfactory applicant pool has been identified.

District 3-2 is an Equal Opportunity Employer

The State will not unlawfully consider an applicant's race, color, national origin, religion, age, disability, sex, genetic information, political affiliation, protected uniformed service, or other legally protected categories when making selections.

The candidate chosen for employment will be subject to Criminal Background Check/Fingerprinting, Reference Checks.
