

Are you or someone you know a stroke survivor?

Take a seat and join other stroke survivors in a discussion about your experiences...

We invite you to participate in a 1-2 hour focus group discussion with others affected by stroke to share experiences with discharge planning and rehabilitation services after stroke hospitalization

PARTICIPANTS:

- Must be 18 years and older
- Have experienced a stroke within the past year and are now out of the hospital
- Must communicate in English
- Individuals who only experienced a transient ischemic attack (TIA) are **not** eligible.

Participants will be compensated upon completion of the focus group.
