

## CURRICULUM VITAE

Revised: 9/13/2021

1. Name: Shilpa Krishnan
2. Office Address: 1441 Clifton Road Atlanta GA 30322 [236 C]  
Telephone: 404-727-4738  
Fax: 404-712-4132
3. E-mail Address: [shilpa.krishnan@emory.edu](mailto:shilpa.krishnan@emory.edu)
4. Citizenship: U.S. Permanent Resident
5. Current Titles and Affiliations:
  - a. Academic Appointments:
    - i. Assistant Professor (*Tenure Path*), Department of Rehabilitation Medicine, Division of Physical Therapy, Emory University, November 2017 – present
    - ii. Affiliate Faculty, Emory Neuroscience & Behavioral Biology Program, 2021 – present
    - iii. Research Scientist, Center for Visual and Neurocognitive Rehabilitation, Atlanta Veterans Affairs Health Care Center, 2021 – present
6. Previous Academic and Professional Appointments:
  - i. Research Scientist, University of Texas Medical Branch, 2016-2017
7. Previous Administrative and/or Clinical Appointments:
  - i. Intern Physical therapist, Dr. D.Y. Patil Hospital, India, 2008-2009
  - ii. Consultant Physical therapist, Mumbai, India, 2009
  - iii. Staff Physical therapist, Joy Hospital Indi, 2009
  - iv. Staff Physical therapist, SHREE Hospital, India, 2009
  - v. Research Assistant, Emergency Department, University of Pittsburgh Medical Center, 2009-2010
8. Licensures/Boards:
  - i. Physical Therapist, NYS Board for Physical Therapy, 2014 – present
  - ii. Physical Therapist, TX State Board, 2015 – present
9. Education:
  - i. 2004-2009, Bachelors in Physical Therapy, Dr. D.Y. Patil University, Mumbai, India.
  - ii. 2009-2010, Masters in Health and Rehabilitation Science (Musculoskeletal), University of Pittsburgh
  - iii. 2010-2014, Doctor of Philosophy (Ph.D.), Rehabilitation Sciences, University of Pittsburgh
10. Postgraduate Training:
  - i. 2014-2016, Postdoctoral fellowship, University of Texas Medical Branch, Galveston, Texas  
Supervisor: Kenneth Ottenbacher, PhD, OTR and Timothy Reistetter, PhD, OTR
11. Continuing Professional Development Activities:
  - i. NVivo – Qualitative software analyses, fall 2015
  - ii. Grant writing, University of Texas Medical Branch, fall 2015
  - iii. Qualitative methods and text analysis, University of Florida, spring 2015

- iv. Texas Physical Therapy Association, October 2016
- v. Patient centered outcomes research certificate, University of Texas Medical Branch, 2015
- vi. Combined Sections Meeting, American Physical Therapy Association, 2017, 2018, 2019, 2021
- vii. Learning to be better teachers, Emory University, School of Medicine, Spring 2018, 2019
- viii. Health Services Research Institute, Center for Health Services Research, 2018, 2019
- ix. Health services Research day, Emory University School of Medicine, 2018, 2019
- x. Network for Evaluation & Implementation Science Conference and Workshop, Fall 2019
- xi. Network for Evaluation and Implementation Sciences at Emory (NEISE) COM-B Training led by UCL Centre for Behavior Change, spring 2021

## 12. Committee Memberships:

- a. National and International:
  - i. Secretary and Early Career Officer, Neurodegenerative Interest Group, American Congress of Rehabilitation Medicine, 2015 – present
  - ii. Member, Early career networking group, American Congress of Rehabilitation Medicine, 2015 – present
  - iii. Member, Program Committee, American Congress of Rehabilitation Medicine, 2016 – present
  - iv. Early Career Officer, Complementary and Rehabilitation Medicine, American Congress of Rehabilitation Medicine, 2016 – present
  - v. Member, Secondary complications following SCI taskforce, American Congress of Rehabilitation Medicine, 2016 – present
  - vi. Early Career Officer, Spinal Cord Injury Special Interest group, American Congress of Rehabilitation Medicine, 2018 – 2019
- b. Regional:
  - i. Member of Houston Stroke Warriors support group, Texas, 2015 – 2017
  - ii. Accessibility and Functional Needs Committee Member, Galveston County of Emergency Management, Texas, 2016 –2017
- c. Institutional:
  - i. Media Manager, The Committee for Career Development, 2015 –2016
  - ii. Panel Member, Institutional Ethics Committee, University of Texas Medical Branch, Galveston, Texas, 2016-2017
  - iii. Recognition and engagement committee, Diversity Council, University of Texas Medical Branch, Galveston, Texas, 2016 – 2017
  - iv. Continuing Education, Emory University, Department of Rehabilitation Medicine, Division of Physical Therapy, 2017 – present
  - v. Clinic & Residencies Committees, Emory University, Department of Rehabilitation Medicine, Division of Physical Therapy, 2017 – present

## 13. Peer Review Activities:

- a. Grants:
  - i. International:
    - a. Research Project Grants, The Dunhill Medical Trust, December 2019
  - ii. Federal:
    - a. Field Initiative Projects, Health and Function, National Institute of Disability, Independent Living, and Rehabilitation Research (NIDILRR), 2017

- b. Improving Health Care Systems, Patient centered Outcomes Research Institute (PCORI), 2017
  - c. National Institute of Disability, Independent Living, and Rehabilitation Research, Disability and Rehabilitation Research Projects (DRRP) Program: Real Time Pressure Mapping to Reduce Risk of Pressure Ulcers, 2020
  - d. Center For Scientific Review Special Emphasis Panel, ZRG1, National Institutes of Health), November 2021, July 2021,  
<https://public.era.nih.gov/pubroster/preRosIndex.era?CID=101323&AGENDA=417096>
  - e. Peer Reviewed Medical Research Program (PRMRP) for the Department of Defense Congressionally Directed Medical Research Programs (CDMRP), FY 2021
  - f. Center For Scientific Review Special Emphasis Panel, ZRG1, National Institutes of Health), November 2021
- iii. Foundation:
    - a. Health Services Research Grant Program, Standing Member, American Occupational Therapy Foundation, 2019
    - b. Health Services Research Grant Program, American Occupational Therapy Foundation, 2020
    - c. American Occupational Therapy Foundation and The Michael J. Fox Foundation Occupational Therapy in Parkinson's Disease Research Grant program, 2021
  - i. Institutional:
    - a. Pilot Grant Reviewer, Center for Large Data Research & Data Sharing in Rehabilitation, University of Texas Medical Branch, 2016, 2017
- d. Manuscripts (selected journals):
    - i. Neurorehabilitation, 2015 – present
    - ii. Disability and Rehabilitation, 2015 – present
    - iii. American Journal of Physical Medicine and Rehabilitation, 2015 – present
    - iv. OTJR: Occupation, Participation and Health, 2016 – present
    - v. Archives of Physical Medicine and Rehabilitation, 2016 – present
    - vi. BMJ Open, 2016 – present
    - vii. Texas Public Health Journal, 2016 – present
    - viii. Journal of Spinal Cord Medicine, 2016 – present
    - ix. Rehabilitation Nursing, 2016 – present
    - x. PLOS ONE, 2017 – present
    - xi. Gerontologist, 2017 – present
    - xii. Medical Devices: Evidence and Research, 2017 – present
    - xiii. Chronic Wound Care Management and Research, 2017 – present
    - xiv. Topics in Stroke Rehabilitation, 2017 – present
    - xv. Topics in Geriatric Rehabilitation, 2017 – present
    - xvi. American Journal of Public Health, 2018 – present
    - xvii. Clinical Rehabilitation, 2018 – present
    - xviii. The Journal of Humanities in Rehabilitation, 2018 – present
    - xix. Journal of Tissue Viability, 2018 – present
    - xx. Physical Therapy, 2020 – present
  - e. Conference Abstracts:
    - i. National and International:
      - a. Abstract Reviewer, 21st International Association of Gerontology and Geriatrics (IAGG) World Congress, 2016

- b. Abstract Reviewer, 21st International Association of Gerontology and Geriatrics (IAGG) World Congress, 2017
  - c. Instructional Course, Symposium and Abstract Reviewer, American Congress of Rehabilitation Medicine, 2017
  - d. Instructional Course, Symposium and Abstract Reviewer, American Congress of Rehabilitation Medicine, 2018
  - e. Instructional Course, Symposium and Abstract Reviewer, American Congress of Rehabilitation Medicine, 2019
  - f. Instructional Course, Symposium and Abstract Reviewer, American Congress of Rehabilitation Medicine, 2020
- ii. Regional:
- a. Abstract Reviewer, 2021 Southeast Regional Clinical and Translational Science Conference, 2020
- iii. Institutional:
- a. Reviewer, William C. Levin, MD Presidential Scholarship, University of Texas Medical Branch, Galveston Texas, 2016
  - b. Travel Award Abstracts Reviewer, Center of Large Data Research, University of Texas Medical Branch, Galveston, Texas, 2017
14. Consultants/Advisory Boards: *None*
15. Honors and Awards:
- i. Dr. Priyadarshini Cholera Patil Medal University topper, D.Y. Patil University, 2009
  - ii. Travel funds, Student Advisory Board, School of Health and Rehabilitation Sciences, University of Pittsburgh, 2012
  - iii. Travel funds, Graduate Professional Student Association (GPSA), University of Pittsburgh, 2012, 2013
  - iv. Student Recognition in Research, (Physical Therapy), Academy of Spinal Cord Injury Professionals, 2012
  - v. Poster award, Health Disparity Competition, University of Pittsburgh, 2012
  - vi. Thomas O'Connor Award, Department of Rehabilitation Science and Technology, University of Pittsburgh, 2012
  - vii. Bruce Baker Education Travel Fund, School of Health and Rehabilitation Sciences, University of Pittsburgh, 2012
  - viii. Abruzzese Award, National Pressure Advisory Panel (NPUAP), January 2013.
  - ix. Advanced Rehabilitation Research and Training (ARRT) Program, National Institute of Disability, Independent Living, and Rehabilitation Research, 2014-2016
  - x. Deans Faculty Travel Funds, School of Health Professions, University of Texas Medical Branch, 2017
  - xi. Honorable Mention award by the Association of American Physiatrists for the research article published in the American Journal of Physical Medicine and Rehabilitation, 2017
  - xii. Complementary, Integrative Rehabilitation Medicine, American Congress of Rehabilitation Medicine, 2018
  - xiii. Elite Reviewer, Archives of Physical Medicine and Rehabilitation, 2017, 2018
  - xiv. Grant Proposal selected for the Intensive Workshop, Institute on Health Services Research, Center on Health Services Training and Research, 2018, 2019
  - xv. Georgia CTSA TEAMS (*Translational Education and Mentoring in Science*) program fellow, 2019-2020
  - xvi. Young Investigator Poster Award, National Pressure Injury Advisory Panel, 2021

- xvii. Poster Award, Community Engagement Forum, Georgia Clinical & Translational Science Alliance, 2021
16. Society Memberships:
- i. American Congress of Rehabilitation Medicine, 2015 – present
  - ii. Academy Health, 2016
  - iii. American Physical Therapy Association, 2017 – present
17. Organization of Conferences:
- a. National and International:
    - i. Administrative Positions: None
    - ii. Sessions as Chair:
      - a. Caregiving Needs, Experiences, and Benefits for those Caring for Adults with Neurological Conditions, American Congress of Rehabilitation Medicine, November, 2019
      - b. Care transitions and post-acute care utilization among older adults with chronic disease in the Medicare population, Aging in America Conference, September 1, 2020 (oral)\*, Virtual Webinar due to COVID-19 -- symposium chair
  - b. Regional:
    - i. Administrative Positions: None
    - ii. Sessions as Chair: None
  - c. Institutional:
    - i. Administrative Positions: None
    - ii. Sessions as Chair: None
18. Clinical Service Contributions: *None*
19. Community Outreach:
- a. General:
    - i. Co-leader, Young and the Restless of Atlanta, Acquired and Traumatic Brain Injury Peer Engagement Group, Feb 2020 – present
  - b. Media Appearances:
    - i. “Computer simulation predicts development, progress of pressure sores”, Science Daily, 2015
    - ii. “Study suggests biomarkers could help ward off pressure ulcers for spinal cord injury patients?”, Research News from the U.S. Department of Veterans Affairs, 2016
    - iii. “Many IRF Patients Experience Interruptions in Care – About 10% Due to Preventable Conditions”, Physical Therapy Motion News, American Physical Therapy Association, 2016
    - iv. For People with Recent Spinal Cord Injuries, Pneumonia and Pressure Ulcers May Be Connected”, National Rehabilitation Information Center, 2017
    - v. Research article on caregiver’s preferences highlighted in the Agency of Healthcare and Quality (AHRQ) Newsletter, Issue #618, 2018
    - vi. “How to care for yourself when you’re caring for someone with Alzheimer’s disease”, NBC Better, 2019

20. Formal Teaching: [*contact hours*]

- a. Medical Student Teaching:
  - i. Evaluator, Poster session, School of Medicine, Emory University, summer 2018
- b. Graduate Programs:
  - i. Residency Programs:
    - i. Research Mentor: Katelyn Corridon, Doctor of Physical Therapy, Acute Care Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, 2018-2019
    - ii. Research Mentor: Grace Couture, Doctor of Physical Therapy, Neurological Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, 2019-2020
    - iii. Research Mentor: Charlotte Rutherford, Doctor of Physical Therapy, Acute Care Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, 2020
    - iv. Research Mentor: Keely Collins, Doctor of Physical Therapy, Acute Care Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, 2021-2022
  - ii. Fellowship Programs: N/A
  - iii. Master's and PhD Programs:
    - a. Co-Instructor– HRS 2705: Rehabilitation Engineering and Assistive Technology Practices, Department of Rehabilitation Science and Technology, University of Pittsburgh, spring 2012 (35 students)
    - b. Co-Instructor – HRS 3702: Soft Tissue Biomechanics, Department of Rehabilitation Science and Technology, University of Pittsburgh, spring 2013 (10 students)
    - c. Guest Lecturer – PHS 6390: Introduction to Rehabilitation Sciences, Division of Rehabilitation Sciences, University of Texas Medical Branch, fall 2014, 2016 (4-5 students)
    - d. Guest Lecturer – Rehabilitation Science Seminar, Division of Rehabilitation Sciences, spring 2016 (5 students)
- c. Physical and Occupational Therapy Program:
  - i. Evaluator, Poster session, Department of Physical Therapy, University of Texas Medical Branch, June 2015, June 2016 (60 students)
  - ii. Evaluator, Research Methods II, Systematic review, Department of Occupational Therapy, University of Texas Medical Branch, summer 2016 (60 students)
  - iii. Guest Instructor, Neurological Lab, Department of Physical Therapy, University of Texas Medical Branch, summer 2016 (15 students)
  - iv. Guest Instructor, Bridge Neurotherapeutics, Department of Physical therapy, University of Texas Medical Branch, fall 2016 (12 students)
  - v. Co-Instructor – DPT 765: Evidence-based Practice, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, School of Medicine, spring 2018, (79 students), 2019, 2020 (71 students), 2021 (58 students)
  - vi. Advisor – DPT 835: Administration and Consultation in Healthcare, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, School of Medicine, spring and summer 2018, 2019, 2020 (4-5 students each year)
  - vii. Course Director and Instructor, DPT 915: Clinical Research I, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, School of Medicine, fall 2018 (72 students), fall 2019 (76 students), fall 2020 (62 students)

- viii. Course Director and Instructor, DPT 925: Clinical Research II, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, School of Medicine, spring 2019 (72 students), spring 2020 (76 students), spring 2021 (62 students)
- d. Undergraduate Program:
  - i. Research Advisor, NBB 399R, Neuroscience and Behavioral Biology Program (NBB), Emory College, fall 2018 – present (Tanique McDonald, fall 2018, Gabriel Fonseca, fall 2018, Megna Rao, spring 2020)
  - ii. Research Advisor, NBB 499R, Neuroscience and Behavioral Biology Program (NBB), Emory College, spring 2019 – present (Tanique McDonald, spring 2019, Gabriel Fonseca, spring 2019, Megna Rao, fall 2020, spring 2021, fall 2021 Chris Kopreski, fall 2020, spring 2021, fall 2021, Ema Perez, fall 2021, Ishika Mukerjee, fall 2021)
  - iii. Research Advisor, Biology 499R, Department of Biology, Emory College, spring 2019 – present (Tony Chen, spring 2019, fall 2019)
  - iv. Research Advisor, Quantitative Theory and Methods Fellowship, Department of Quantitative Theory and Methods, Emory College (Tony Chen, fall 2019, spring 2020)
  - v. Research Advisor, ECON 397R1, Directed Reading in Economics (Supervision), Emory University, fall 2020 (Justin Joseph, fall 2020)
  - vi. Research Advisor, Honors Biology (BIOL 495), Biology Department, Emory University, fall 2020 (Tony Chen, fall 2020)
  - vii. Research Advisor, Directed Research, HLTH399R, Human Health Department, Emory College of Arts and Sciences, spring 2021 (Justin Joseph, spring 2021, fall 2021)

## 21. Mentorship:

- a. PhD Students Directly Supervised:
  - i. Research Co-Advisor, Catherine Hay, Division of Rehabilitation Sciences, University of Texas Medical Branch, 2015 – 2017. Current Position: Assistant Professor, Texas Women's University.
- b. Residency Program:
  - i. Research Advisor, Katelyn Corridon, Physical Therapy Acute Care Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, fall 2018 – summer 2019. Current position: Physical Therapist II, Emory University Hospital
  - ii. Research Co-Advisor, Siobhan Brennan, Physical Therapy Neurological Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, fall 2018 – summer 2019
  - iii. Research Advisor, Grace Couture, Physical Therapy Neurologic Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, fall 2019 – summer 2020 Current position: PRN Physical Therapist, Emory Healthcare
  - iv. Research Advisor, Charlotte Rutherford, Physical Therapy Acute Care Resident, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, fall 2020 (resident discontinued due to personal reasons).
- c. Undergraduate Students:
  - i. Co-Advisor, Matthew Johnson, Undergraduate Student, Research Experience for Undergraduates, Department of Rehabilitation Science and Technology, University of Pittsburgh, summer 2011
  - ii. Co-Advisor, Rachelle Brick, Undergraduate Student, Bachelors in Philosophy Honors, Department of Rehabilitation Science and Technology, University of Pittsburgh, fall 2012 – spring 2014. Current Position: PhD Candidate, University of Pittsburgh
  - iii. Co-Advisor, Abida Hasan, Medical Student, The Medical Student Training in Aging Research (MSTAR) program, University of Texas Medical Branch, summer 2015. Current position: DO, Suny Downstate Medical Center

- iv. Research Advisor, Tanique McDonald, undergraduate student, Emory University, spring 2018 – 2019
- v. Research Advisor, Haobin Chen, Undergraduate Student, Emory University, summer 2018 – present (Accepted into multiple PhD programs in Biostatistics)
- vi. Research Advisor, Gabriela Fonseca, Undergraduate Student, Neuroscience and Behavioral Biology, Emory University, summer 2018 – spring 2019
- vii. Research Advisor, Megna Rao, Neuroscience and Behavioral Biology, Emory University, summer 2019- present
- viii. Research Advisor, Chris Kopreski, Neuroscience and Behavioral Biology, Emory University, spring 2019 – present
- ix. Research Advisor, Justin Joseph, Human Health, Emory University, spring 2020 – present

22. Lectureships, Seminar Invitations, and Visiting Professorships:

- a. National and International:
  - i. Inflammation following Traumatic Spinal Cord Injury in Individuals with Pneumonia and Pressure Ulcers, Division of Rehabilitation Science, University of Texas Medical Branch, Galveston, TX, Feb 12, 2014
  - ii. Occurrence of Pressure Ulcers following Traumatic Spinal Cord Injury in Individuals with Pneumonia, Rehabilitation Science, Center of Innovation on Disability and Rehabilitation Research, University of Florida, Gainesville, FL, May 8, 2014
  - iii. Somatic Motor and Sensory Systems, Saint Francis University, Loretto, PA, Mar 20, 2015
  - iv. Patient Centered Outcomes Research Methodology: Understanding Patients and Caregivers Goals and Preferences, Department of Neurology, Columbia University, NY, Nov 18, 2015
  - v. Perspectives on Neurorehabilitation: Patient Engagement and Shared Decision-Making. Department of Physical Therapy, University of Nevada at Las Vegas, Nevada, Feb 9 2017
  - vi. Patient-Caregiver Engagement and Share Decision Making, University of Kentucky, April 10, 2017
  - vii. Patient and Caregiver Engagement during Neurorehabilitation, University of Massachusetts, Lowell, May 9 2017
  - viii. Patient Centered Outcomes Research in Neurorehabilitation, University of North Carolina, Chapel Hill, NC, May 16 2017
  - ix. Patient and Caregiver Perspectives on Neurorehabilitation, University of Buffalo, Buffalo, NY, May 25, 2017
  - x. Patient and Caregiver Engagement during Neurorehabilitation, Shenandoah University, May 31, 2017
  - xi. Person-centered perspectives on shared decision-making, Emory University, June 6, 2017
  - xii. Enabling Leadership in a Diverse Rehabilitation Community, American Congress of Rehabilitation Medicine Spring Meeting, March 19, 2021
- b. Regional:
  - i. Emergency Preparedness among Older Adults, Houston Abilities Expo, Houston, TX, August 5, 2016
  - ii. Patient-Centered Preferences for Post-Acute Care Stroke Rehabilitation, Houston Methodist Neurological Institute, Jewish Community Center, Houston, Texas, Feb 2 2017
  - iii. Emergency Preparedness among Older Adults, Houston Abilities Expo, Houston, TX, August 4, 2017
  - iv. Physical Therapist Educational Pathway, 9<sup>th</sup> Grade Speaker Series, The Gwinnett School of Mathematics, Science, and Technology, Atlanta, GA, November 15, 2018

- v. Access to Inpatient Rehabilitation and its Effects on Functional Outcomes Post Stroke Hospitalization, The Atlanta Department of Veterans Affairs Center for Visual and Neurocognitive Rehabilitation, Atlanta, GA, December 5, 2018

c. Institutional:

- i. Advantages of postdoctoral training, Introduction to Rehabilitation Science, University of Texas Medical Branch, Galveston, TX, October 14, 2014
- ii. Caregivers' perspectives on stroke rehabilitation outcomes, Pepper Investigator's Lecture, University of Texas Medical Branch, Galveston, TX, Dec 3, 2014
- iii. Caregivers' perspectives on improving health care outcomes for stroke survivors, Patient Centered Outcomes Research, Topics in Patient Centered Outcomes Research Lecture Series, University of Texas Medical Branch, TX, Feb 24, 2016
- iv. Perspectives and experiences in doctoral and postdoctoral training, Rehabilitation Science Seminar, University of Texas Medical Branch, Tx, March 3, 2016
- v. Patient-Centered Mobility Preferences for Post-Acute Care Stroke Rehabilitation, Topics in Patient Centered Outcomes Research Lecture Series, University of Texas Medical Branch, TX, July 8, 2016
- vi. Finishing your PhD thesis, Introduction to Rehabilitation Science, University of Texas Medical Branch, TX, November 30, 2016
- vii. Perspectives in Neurorehabilitation, Department of Physical Therapy, University of Texas Medical Branch, TX, October 5 2016
- viii. Patient engagement in selection of Post-acute care setting following stroke hospitalization, Rehabilitation Seminar Series, Division of Physical Therapy, Department of Rehabilitation Medicine, Emory University, School of Medicine, Oct 30, 2018 (oral)\*
- ix. Comorbidities and Physical and Occupational Therapy Utilization among Medicare Stroke Patients with Pressure Ulcers: Analyzing Minimum Data Set 3.0, Health Policy Management Seminar Series, Department of Health Policy and Management, Rollins School of Public Health, Emory University, Atlanta, GA, March 7, 2019 (oral)\*
- x. Patient Engagement Approaches for Improving Patient-Centered Outcomes Research and Healthcare Outcomes, Geriatrics & Gerontology Research Seminar, Division of Geriatrics, Emory University, School of Medicine, Wesley Woods Health Center (1841 Clifton Rd.) (oral)\*

23. Invitations to National/International, Regional, and Institutional Conferences:

a. National and International:

- i. Patient-Centered Preferences Among Individuals with Pressure Ulcer, National Institute of Disability, Independent Living and Rehabilitation Research 40<sup>th</sup> Anniversary Celebration, Washington D.C. October 18, 2018

b. Regional:

c. Institutional:

24. Abstract Presentations at National/International, Regional, and Institutional Conferences:

*Asterisk indicates primary presenter*

a. National and International:

- i. A Computational, Tissue-Realistic Model of Pressure Ulcer Formation in Spinal Cord Injury Patients. International Conference in Complexity in Acute Illness, September 7, 2012 (oral)
- ii. Pneumonia Precedes Pressure Ulcers in Individuals with Spinal Cord Injury, Academy of Spinal Cord Injury Professionals, Las Vegas, NV, September 4, 2012 (oral)\*

- iii. Inflammation in Individuals with SCI with Pneumonia and Pressure Ulcer Incidence, International Seating Symposium, Nashville, TN Mar 7, 2013 (oral)\*
- iv. Association of pneumonia and occurrence of pressure ulcer in individuals with SCI. National Pressure Ulcer Advisory Panel, Houston, TX, February 21, 2013 (poster)\*
- v. Caregiver Perspective in Patient Centered Outcomes Research Following Stroke, Academy Health, Minneapolis, MN, June 13, 2015 (poster)\*
- vi. Early Detection of Pressure Ulcer development following Traumatic Spinal Cord Injury using inflammatory mediators, American Congress of Rehabilitation Medicine, Dallas TX, October 28, 2015 (poster)\*
- vii. Patient and caregiver centered preferences in stroke rehabilitation, American Congress of Rehabilitation Medicine, Dallas, TX, October 28, 2015 (poster)
- viii. Systematic review of caregiver needs and perspectives following stroke, The Gerontological Society of America, Orlando, FL, November 21, 2015 (poster)\*
- ix. Long-term Cognitive Impairment and Decreased Mood among Community-Dwelling Adults Aging with Stroke. American Congress of Rehabilitation Medicine, Chicago, IL, Nov 2, 2016 (poster)
- x. Mobility preferences among individuals with stroke and their caregivers, American Congress of Rehabilitation Medicine, Chicago, IL, Nov 2, 2016 (poster)\*
- xi. Biomarkers associated with pressure ulcer formation in traumatic spinal cord individuals with pneumonia, American Congress of Rehabilitation Medicine, Chicago, IL, Nov 2, 2016 (poster)\*
- xii. Krishnan S, Graham J, Al Snih. Stress and Depression Among Caregivers for Older Mexican Americans with and Without Stroke. The 21st IAGG World Congress of Gerontology and Geriatrics, San Francisco, CA, July 25, 2017 (poster)\*
- xiii. Pappadis M, Krishnan S, Weller S, Tan A, Jarmillo E, Sheffield K, Goodwin J. Continue or Stop: A Qualitative Analysis of Mammography Screening Decision For Older Women. The 21st IAGG World Congress of Gerontology and Geriatrics, July 25, 2017, San Francisco, CA (poster)
- xiv. Prevalence of Pressure Ulcers among Individuals with Stroke in Skilled Nursing Facilities: Analysis of National Minimum Data Set 3.0. National Pressure Ulcer Advisory Panel, New Orleans, LA, March 10 and 11 (poster)\*
- xv. Early Career Development Course (ECDC): Successful Interdisciplinary Research in Academics and Industry, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 25, 2017 (oral)\*
- xvi. Evidence for the use of Brain Gaming in Older Adults with Cognitive Impairment, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 25, 2017 (oral)
- xvii. Patient involvement during post-acute discharge planning, American Congress of Rehabilitation Medicine, Atlanta, GA, October 26 2017 (poster)\*
- xviii. The Effects and Effectiveness of Structured Physical Activity at Varying Life Stages, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 27, 2017 (oral)\*
- xix. Lecture luncheon: Neurodegenerative Diseases Luncheon - Moving Towards Patient Centered Neurodegenerative Diseases Research: European and USA Comparisons, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 27, 2017 (oral)\*
- xx. Evidence-based Pharmacological Interventions After Traumatic Brain Injury, Oct 27, 2017, American Congress of Rehabilitation Medicine, Atlanta, GA
- xxi. Data Sharing in Rehabilitation research: Accessing National Spinal Cord Injury Database and SCI Rehab data, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 27, 2017 (oral)\*
- xxii. Neurodegenerative Disease Networking Symposium: An Interactive Research and Mentorship Round Tables Discussion, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 28, 2017 (oral)\*
- xxiii. Brain Power: How Exercise Improves Cognitive Performance, American Congress of Rehabilitation Medicine, Atlanta, GA, Oct 28, 2017 (oral)\*

- xxiv. Comorbidities and Physical and Occupational Therapy Utilization among Medicare Stroke Patients with Pressure Ulcers: Analysis Minimum Data Set 3.0, Center of Health Services Research (CoHSTAR), Boston, MA, April 4, 2018 (poster)\*
- xxv. Early Career Scientists Symposium: Complementary Integrative Rehabilitation Medicine, American Congress of Rehabilitation Medicine, Dallas TX, September 30, 2018 (oral)\*
- xxvi. Neurodegenerative Disease Networking Group Symposium: An Interactive Mentorship Round Table Discussion, October 2, 2018, American Congress of Rehabilitation Medicine, Dallas TX\New Frontiers in ND Science: A Presentation by the NDNG Early Career Investigators, American Congress of Rehabilitation Medicine, Dallas TX October 2, 2018 (oral)\*
- xxvii. Patient Engagement Approaches for Improving Patient-Centered Outcomes Research and Healthcare Outcomes, American Congress of Rehabilitation Medicine, Dallas TX, October 3, 2018 (oral)\*
- xxviii. Physical and Occupational Therapy Utilization among Stroke Older Adults with Pressure Injuries, Combined Sections Meeting, Washington, DC, January 24 2019 (poster)\*
- xxix. HOT TOPICS IN STROKE: Inconsistent Classification of Mild Stroke and Implications of Health Service Delivery, American Congress of Rehabilitation Medicine, Chicago, IL, November 6, 2019 (oral)\*

25. Research Focus:

My research focuses on health services research and patient-centered outcomes using mixed-methods. My work compares effectiveness of rehabilitation outcomes following stroke hospitalization across post-acute care facilities, access to rehabilitation services among minorities, early detection of quality pressure ulcers, and assessment of caregiver needs and outcomes.

26. Grant Support: *[Investigator status (P.I., Co-P.I.), source, title, award type, direct costs, year(s)]*

a. Active Support:

i. Federally Funded:

- a. Principal Investigator, National Institute of Disability, Independent Living, and Rehabilitation Research, Patient-Centered Pressure Ulcer Outcome Preferences: A Mixed-Methods Study, Switzer Merit Fellowship, Grant no. 90SFGE0002, Score: 98/100, \$70,000, 2017 – 2022, currently at no cost extension
- b. Co-Investigator, National Institutes of Health, National Library of Medicine and National Center for Advancing Translational Sciences, \$1.7 million, 2R42LM013317-02, 2021-2023
- c. Scholar, Learning Health Systems Rehabilitation Research Network (LeaRRn), National Institutes of Health, Eunice Kennedy Shriver National Institute of Child Health and Human Development and the National Institute of Nursing Research, 1P2CHD101895-01, 2021-2022

ii. Institution Funded:

- a. Principal Investigator, Barriers to Access Services among Young Stroke Survivors, Engaged Learning grant, Center for Faculty Development and Excellence (CFDE), Emory University, \$1500, 2021

b. Previous Support:

i. Federally Funded:

- a. Research Assistant, Prospective, Observational, Multi-center Massive Transfusion study (PROMMTT), U.S. Army Medical Research and Materiel Command subcontract W81XWH-08-C-0712, PI: Dr. Louis Alarcon, MD, 2009 -2010
  - b. Co-Investigator (100%), National Institute on Disability and Rehabilitation Research, Rehabilitation Engineering Research Center on Spinal Cord Injury (#H133E070024), PI: Dr. David Brienza, PhD, 2010-2014
  - c. Advanced Rehabilitation Research Training Fellow, National Institute on Disability and Rehabilitation Research (#H133P990001), PI: Ken Ottenbacher, 2014-2016
  - d. Co-Investigator, Agency for Health Care Research and Quality, R-24, Patient Centered Outcomes Research in Elderly (PCOR) (# HS022134), PI: Jim Goodwin, \$4.9M, 2014 – 2019
- ii. Foundation Funded:
- a. Principal Investigator, Rehabilitation Service Use and Impact on Health Outcomes among Individuals diagnosed with COVID-19 in Acute Care, Academy of Acute Care Physical Therapy Research Seed Grant, \$5000, 2020-2021
- iii. Institution Funded:
- a. Co-Investigator, University of Texas Medical Branch, Sealy Center on Aging Pilot Grant, Improving Healthcare for Elders during Disasters, University of Texas Medical Branch, PI: James Graham, PhD, 2015-2016
  - b. Principal Investigator, Understanding the needs and barriers to access rehabilitation services among Stroke Minorities in Atlanta, Center for Faculty Development and Excellence (CFDE), Emory University, \$1000, Fall 2018
  - c. Mentor, Caregiver Burden among Hispanic Elderly with Stroke, Mentee: Tony Chen, Summer Undergraduate Research Experience, Emory University, \$3000, June 2019- August 2019
  - d. Mentor, Variations in clinicians' perspectives on the impairments, needs, and goals of mild stroke survivors, Mentee: Chris Kopreski, Summer Undergraduate Research Experience, Emory University, \$3000, June 2020- August 2020
