

2021 SPRING COURSE PLANNING WITH THE EMORY LIBRARIES

COURSE MATERIAL

E-only reserves suggested – allow extra time for finding e-materials and scanning print materials

E-Books – search [discoverE](#) for full-text e-books and work with your subject librarian to [locate, acquire, and access e-books](#) for your course

Textbooks – plan to offer [free](#) or [affordable options](#), since availability, cost, and shipping pose challenges for students; consider existing e-book content in [discoverE](#) for course texts

Streaming video – check [discoverE](#) for current licensed streaming content, review our [major streaming providers](#), and [order new streaming films](#) 4-6 weeks in advance (for licenses)

INSTRUCTIONAL SUPPORT

Student research – [get ideas and design class assignments](#) for remote learning

Subject librarians – offer research and teaching support and can be invited to your Canvas course(s), using the Librarian Role

Library Instruction – librarians can create an [online course research guide](#) or teach a [research instruction session](#) for your students

TIPS

Plan ahead – contact the library early

Questions? – our [subject librarians](#) are happy to assist you
